Petitioners - The residents of Nagamangala Town, Nagamangala Taluk, Mandya District

Respected Sir,

We, the undersigned residents of Nagamangala Town, most humbly beg to submit, this petition for your kind consideration and favourable orders

We beg to state that when your honour had come to Nagamangala on 27-9-1942, you had told us to give us a park and for this purpose, we learn that the land infront of Sri Keshavaswamy Temple has to be acquired etc

In this connection we beg to state that this place is quite unsuitable for purposes of making park for reasons stated hereunder

This place having been in the middle of the Town, is a place of public traffic especially of the women and children of all the streets of the town This is on the way leading to Tank and pond, in which place all the females of the place have to pass through now and then, whenever they come to fetch drinking-water

If this be converted to park, there will be a creation of unnecessary trouble and annoyance as there will be always male-members sitting and conversing topics of all nature with free liberty on a plea that they are sitting in a public place, thus bringing an obstacle to the family people of the town especially females, who will be quite ashamed to move that side, which fact is very well-known to your honour

The previous Deputy Commissioner Mr B S Raghavendra Rao had selected a separate place i e , a piece of land in front of Sree Yoga-

narasinhaswamy temple, for purposes of park When the owner of that land had given an application for grant of a license to build a house there, he was given an endorsement to the effect that an order has been passed by the Deputy Commissioner to preserve this piece of land for purposes of park as such, the license could not be granted to him

By doing the park in this place, there will be no least objection from any body and there will be no trouble to any people

In connection with the acquisition of this land records have been done previously and even the owner of the lard has consented for this proposal Besides, by the side of this land there is a land belonging to the town ~~xxxxx~~ municipality

Under the above circumstances, it is humbly prayed that your honour may kindly be pleased to order for the acquisition of the land in front of Sri Yoga-narasimha Swamy temple instead of the land infront of Sri Keshavaswamy Temple, as ordered now, for reasons stated above and thus redress the grievances of the residents of this place, for which act of kindness we shall ever remain highly grateful to your honoured Sir

Nagamangala,
Dated 5 - 11 - 1942

We beg to remain,
Respected Sir,
Yours most obediently,

SIR,

Subject Formation of a park in Nagamangala Town

With reference to your letter No L 5320/M1 120-43-99 dated 26-11-43 forwarding a petition of the residents of Nagamangala town and on the above subject for report, I have the honour to state that the President reports that the subject was again placed before the Municipal Council on 30-8-43 and that they have resolved that as their present financial position does not admit of an expenditure of Rs 2500/- for acquisition of properties and for formation of park, the question of formation of a park may be dropped for the present.

I inspected the Town on 10th June 43 and I find that the Municipal Council will have to acquire 3 to 4 houses and spend a considerable sum for formation of a park not to speak of the recurring expenditure for the maintenance of the same The Municipal Council with meagre resources is not in a position to set apart funds for this purpose I have issued instructions to the President to level the open space by the side of the Municipal Office & and form a small park for the resort of the public, for the present this seems to be quite sufficient

In the circumstances stated above, I recommend that the question may kindly be ordered dropped for the present

The petition received with your letter referred to is returned herewith
